## **Life lies in the shades**

Once there was a love so pure  
It did not ask for anything  
And gave nothing in return

It's like waking up and knowing  
That you'll be alive at the end of the day

Life lies in the shades

Seeing all the lights  
and hearing all the tinkles,  
it's not hard to believe  
that everyone is winning.  
Losses and failures are silent hidden

Life lies in the shades
